Dr. Dawn Culpepper is a higher education researcher and practitioner focused on creating academic work environments where faculty members thrive.

Her nationally recognized research examines an array of faculty work environment issues, including tenure and promotion, hiring, and workload. Her work has been published in top education and diversity-related journals and has been funded by the National Science Foundation.

Dawn is currently the Director for the University of Maryland ADVANCE Program for Inclusive Excellence, where she leverages her research experience to develop programs and provide expertise on campus policy and practice.

Upcoming Workshops

with Dawn Culpepper

March 6, 2024, 2:00pm - 3:00pm CST

Hybrid workshop

ISU National Swine Research and Information Center (NSRIC) 1131

Faculty Workloads and Rewards: Understanding the Problem and Strategies for Change

Pre-Work Reading

Register to receive virtual meeting link

April 5, 2024, 10:00am - 11:30am CST

Virtual workshop

Creating and Using Faculty Work Activity Dashboards

Pre-Work Reading

Register to receive virtual meeting link

This workshop will reflect upon the questions:

- What kinds of faculty activity data are routinely collected/available?
- What workload issues can these data speak to (e.g., teaching)?
- What workload issues might remain obscured (e.g., intensity associated with different kinds of service)?

April 18, 2024, 10:00am - 11:30am CST

Virtual workshop

Navigating Resistance and Generating Buy-In for Workload Change

Pre-Work Reading

Register to receive virtual meeting link

This workshop will reflect upon the question:

- What are the major “kinds” of resistance you have experienced (or might experience) related to workload?

Open to all.
