

Tuition Assessment Oversight Advisory Committee

Charge

To provide broad guidance and oversight of tuition and fee practices including assessments, and to provide systematic and uniform review of tuition and fee proposals, associated practices, and the implementation processes related to assessment of tuition and fees.

Activity

The role of this committee will include:

- Establish principles for assessing tuition and fees, including differential tuition;
- Review the university's annual proposal to the Board of Regents for tuition rate changes and differential tuition proposals to ensure consistency with assessment principles;
- Evaluate current university tuition assessment policies and practices and provide ongoing oversight for them.
