Ready for fall

Iowa State is planning for the fall semester on campus to look a lot like it did before the pandemic. That means in-person classes, afternoon ice cream runs to the ISU Creamery, and cheering on the Cyclones with your friends.

LEARN. SUCCEED. CHANGE THE WORLD.

- We’re back to in-person classroom instruction for the fall. Online sections will continue to be available for some courses, as they were before the pandemic.

- Reconnect with world-class faculty. Take advantage of the full array of hands-on learning opportunities, including labs and studios, research farms, field trips, team design projects, and other activities behind Iowa State’s motto of Science with Practice.

- Innovate at Iowa State. Pursue your entrepreneurial passions while working with fellow students and faculty mentors in our new, state-of-the-art Student Innovation Center.

HEALTH AND SAFETY REMAIN A TOP PRIORITY.

- The Thielen Student Health Center strongly encourages all students to be vaccinated before arriving on campus. If you can get the vaccine, then get it!

- On-campus COVID-19 testing and other physical and mental health services will continue to be available to help students feel their best throughout the year.

- Practice Cyclones Care to protect yourself, your family, your friends and the entire campus community.

GET IN THE GAME!

- Meet the people who love what you love at ClubFest (September 8). Diverse student organizations and activities are available for nearly every interest, from sororities and fraternities to concerts, fashion design, and solar-powered race cars.

- Compete for a coveted ISU Intramural Champion tee shirt!

- Celebrate Homecoming (October 17-23) and Cyclone Family Weekend (September 17-19) on our beautiful residential campus.

- Make memories at the Memorial Union – get crafty at the Workspace, rack ’em up at CyBowl & Billiards, or do improv comedy.

CYCLONE NATION!

- Cheer on the Cyclones from Jack Trice Stadium, Hilton Coliseum, and other campus venues and enjoy the thrill of Big 12 athletics.
